BLACKPOOL IN BLOOM GUIDANCE

Judging will take place over several days, the week commencing 1st July, and will be conducted by a team of volunteers looking for the “**most exquisite of displays**”. We will contact you closer to the time, with the day and time our judges will visit you.

Arrangements guaranteed to catch the judge’s eye could include, water conservation, variety of plants, colour, and using recycled items such as pots.

The panel will look at all aspects of your area, including the street scene approach when visiting.

There will be special judges' awards for gardens/displays of outstanding excellence.

Consideration will be given to the use of containers, lawns, flower beds, water features, vegetable areas, natural habitat, wildlife/ecology, trees, hard landscaping and community involvement.

**Good luck, we look forward to judging your
entry!**

**LET'S BEE PROUD TO
SHOWCASE OUR BEAUTIFUL
