Blackpool in Bloom 2026 Guidance

Judging

Judging will take place over several days from early July (depending on the number of entries). Exact dates/times will be sent nearer to the time.

Our Judging Team will visit each site for no longer than 15 minutes (depending on the number of entries).

Judges will be looking for good horticultural practices, new gardeners, community involvement, and contribution to the overall street scene.

Blackpool Parks

(Maintained by Enveco and Volunteers)

This new category has been introduced to ensure a fair comparison. Community gardens and volunteer-run gardens face different challenges, so we wanted to give each the opportunity to be judged on its own merits.

Good luck! We look forward to judging your entry.
